PROJECTS

nexusAid Website

Jan 2023 - Ongoing

- Facilitates access to essential resources such as education and healthcare for underprivileged individuals by providing a centralized platform.
- Offers comprehensive information and assistance to connect less fortunate people with vital resources, fostering empowerment and improving overall well-being.

Portfolio Website

Dec 2023-Jan 2023

- Created a visually captivating portfolio website showcasing proficiency in web development and design through the use of HTML, CSS, and JavaScript.
- Designed an intuitive and user-friendly interface to enhance the browsing experience, demonstrating a keen understanding of usability principles and front-end development techniques.

Weather Website

Feb 2023.

- Utilized JavaScript, HTML, and CSS, along with API integration, to develop a dynamic website providing real-time weather updates.
- Implemented user-friendly design and intuitive navigation for seamless access to accurate weather information.

EXPERIENCE

Houston Community College

Houston, TX

VR/XR Lab Intern

Jan 2023- Aug 2023
